

U Bar

Established in 2022, U-Bar was created as a vibrant social hub within University Hotel, a welcoming space where guests can unwind and connect.

Designed with a relaxed yet contemporary atmosphere, the copper U-shaped bar offers a selection of local beers alongside a curated mix of international favorites.

It held special significance for the late Chairman Victor Joaquin Paz, who often spent time there enjoying its warm ambiance and lively spirit.

Today, U-Bar continues to embody camaraderie, comfort, and the timeless tradition of bringing people together over good drinks and great conversations.

Where's the party at?
